

MSE STP QI Leadership Programme – FAQs

Q.1. What is the programme?

- This a Learning and Development programme

Q.2. Who can apply?

- All staff – clinical or non clinical can apply to the programme
- Total of 16 places available for the whole MSE STP.
- Staff who are already in system leadership role or have this as part of their personal development would benefit from this programme
- You can come from health or care sector in Mid and south Essex.

Q.3. What do you mean by proved improvement experience?

- You don't need a QI (Quality improvement) certificate to apply. That is desirable but if you have run an improvement programme or have carried out improvement work and understand the concepts – you can apply as well.
- Please give examples as part of your application to highlight your improvement experience.

Q.4. What support do I need from my organisation?

- Your organisation has to agree to release you for all training days and other support activities, like coaching and project work.
- Applications without organisation/management signature will not be accepted.
- If selected, we will communicate with you and your manager (person who signed on your application form)

More details about the programme can be found in the information pack and application form which are available via the below link - <http://v1.nhsmidandsouthessex.co.uk/quality-improvement-leadership-programme/>
